The committee was comprised of Richard Shrake, CA Chair, Tara Z Laver, CA and Mike Bullington, CA Regent for Nominations. It has been a privilege working with these professionals. Committee members contacted numerous members of the Academy to solicit them to run for office. The list of nominees proved useful to the committee in its efforts to secure an election slate. The slate is:

**Vice-President/President-Elect**
- McLemore
- Minchew

**Regent for Certification**
- deCatanzaro
- Sorensen

**Nominating Committee Member**
- Koch
- Darby

**Regent for Examination Administration**
- DeLeon
- Nutt

**Secretary**
- Boyd
- Tuten

The committee requested that each candidate respond to the following ballot question:

"What is the primary benefit of ACA membership and why?"

Each candidate was requested to submit a brief biography, photo and question response to the ACA Secretariat no later than March 18, 2011. The Nominating Committee was fortunate to find ten exceptionally qualified candidates this year.
